

# Accessing the GMO information on the new DALRRD website

14 March 2024

To access DALRRD's Biosafety page follow the below path or just click on the final hyperlink.

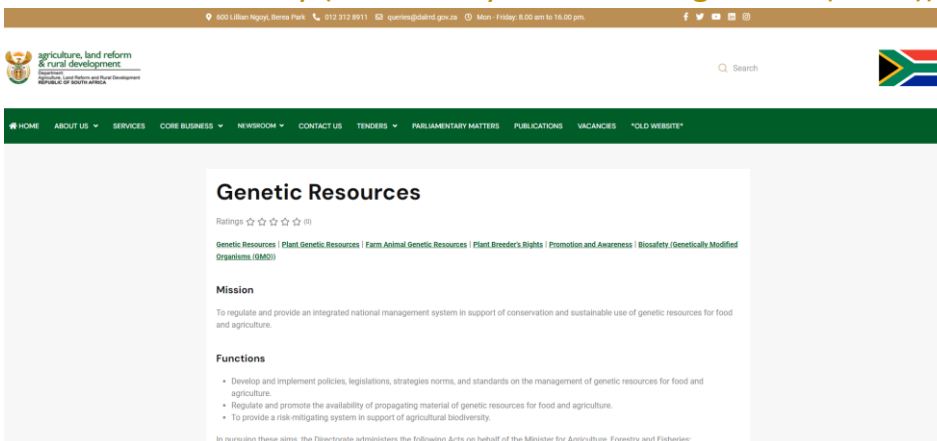

1. DALRRD Homepage - <http://www.dalrrd.gov.za/index.php>

Follow: Core Business > Agricultural production... > Genetic Resources

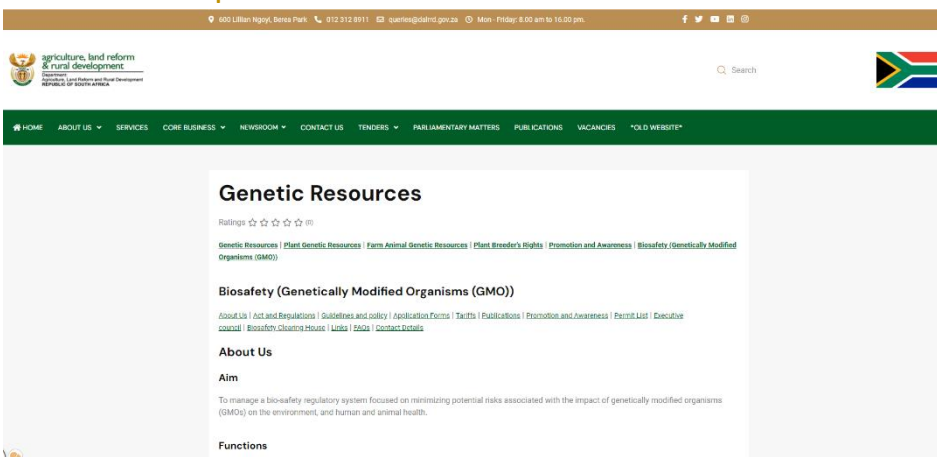

2. Genetic Resources (p1) - <https://www.dalrrd.gov.za/index.php/core-business/agricultural-production/genetic-resources>

Click on – “Biosafety (Genetically Modified Organisms (GMO))”

3. The “Genetic Resources” page will expand to include the “Biosafety (Genetically Modified Organisms (GMO))” menu - <https://www.dalrrd.gov.za/index.php/publication/408-gmo-about-us>

Follow the required links.

Notes:

1. Some of the application form links [HERE](#) (e.g. “4 contained use”), refer to the wrong documents – ensure you download the correct one for your needs.
2. Some of the application forms are duplicated with outdated PDF application forms, e.g. “3. Commodity clearance” & “7. Commodity clearance”. Only use the 2021 Word versions where relevant.
